DRURY S. CODSEY.

For Representative: Dr. FELIX M. THOMAS.

Dr. FELIX M. THOMAS.

The country newspiper is the most medial of all the agencies while stamp the impress of progress upon all villages and instance of the without the aid of a local newspiper is without the aid of a local newspiper is without the aid of a local newspiper is without the aid of a local newspiper, but the village newspipers, and the medial prost make more great times of the form and the medial newspipers, in the village newspipers, and he more great times of the form and the medial newspipers, and he more great times to make more great times of the form and the form a

you have?

Do yon not know that no section or town has ever yet amounted to anything that did not support a newspaper?

Do you not realize that you are a man, and should assist in adding anything that will benefit you and your fellow-man?

Do you not feel that you could assist in this, anything that the time?

Is you not feet that you could assist in this enterprise and be the gainer all the time?

To you not feel that you owe it to your wife, your children, your family and your fellow-man to help establish they have been supported the following gentlemen as a support on a firm basis?

Bo you not feel that you realize the truth of the above questions, and they you are man enough to acknowledge them, and pay for one year's subscription, knowing that the investment bound to better your condition in evitation, the proposed of the proposed of the proposed them, and pay for one year's subscription and take your bone; ?

Do you not feel that you will be mancough be dady you are your subscription and take your bone; ?

Do you not feel that you will be mancough be dady to pay your subscription and take your bone; and the your bone payer?

To you not so the that you will be mancough be day to pay your subscription and take your bone payer?

To you not feel that you will be mancough be day to pay your subscription and take your bone payer?

To you not feel that you will be manco for the your pay your subscription and take your bone payer?

To you not feel that you will be manco for your pay your subscription and take your bone payer?

To you not feel that you will be manco for good poople by placing your name upon our list—without diagracing the names of good poople by placing your name upon our list—without diagracing the names of good poople by placing your name upon our list—without diagracing the names of good poople by placing your name you our pay your your name along with their names.

The Rur VAX WIKKLISS of this section of the Mageding that you will be payed to the payed to the pa name along with their names.

The REP VAN WINKLES of this section should awake to their responsibility, and see that steps are taken, and at once, to develop our great resources. Right in our neighboring county of Powell, a syndicate of eil speculators are preparing to bore some 30 wells, and yet Wolfe county has more oil, more coal, more inno ore, and last though not least, more silver ore than Powell dares to claim. Why, then, do not wealthy syndicates once to us to Wards of Cheef from the Wild West.

They are live men—not inanimate flesh and bear. If you would see this country bloosen with the fraits of a rich iarrest, you mist go to work to bring about this end. Do try to think of something beinde the coin "dollar of our daddies" now in sight. Think of having 10 of them if you will wake np, where you can now only count one in your sleepy state.

THOS. P. COLLINEWONTH, who was to have started the stage-like from here to Rothwell about the first of the present month, writes that he would like to have some assistance from our citizens toward, the enterprise—not as a donation, but as a lean to equip the line,—and we hope they will loan him of their means for this purpose. It is to our interest to have this line cetablished, and if we done avail ourselves of any opportunity look avail ourselves of any opportunity look they win itom it mer their means for their means to this purpose. It is to our interest to have this lime cetablished, and if we don't varial ourselves of any opportunity looking to this end, we had better employsome good stoonenason and fence the town, in the control of the town, but the people of the surrounding country are losing some, every dark this stage is delayed in coming here. We have a beautiful town as it stands, with building material and land to make the prettire of the control of the control

A strange Problem.

A strange Problem.

The aggregation has a variety of the strange of the strange of the strange of the strange problem.

The aggregation has the variety of the strange problem. The substance of the strange problem. The cultivated area of Great Britain has increased \$4.00 area during the current over, and 1,055,000 acres since 1675, yet dissertions of the contrary, and the fool imported has increased in value from \$284,000,000 area for the strange of the st

O you who lings on the night of toll
And long for day,
Take heart; the grande there is the man
of whom the world shall any
That from the roadside of do eat he plucke.
The flower of success.

W. T. Talbott.

There's a's agy a river to cross;
Always an effort to make
If there's anything pool to win,
Yonder's the final pool to win,
Yonder's the fruit wo crawe,
For the grant wo will be a troubled tide,
But deep and wide, with a troubled tide,
For the cougher the way that we take
Thoustomer the bears and the nave
For cougher the way that we take
Thoustomer the bears and the nave
For the giver we have to win
Out have no count in public was the
Of the river we have to be cross.
